

This is a detailed topographic map of the San'yō region in Japan, specifically focusing on the area around Miyoshi City (三好市) and Takamatsu City (高松市). The map highlights the San'yō Railway Line (山陽本線) and several branch lines. Key labels include:

- (主) 丸亀三好線**: Main Marugame San'yō Line, running vertically through Miyoshi City.
- (主) 鳴門池田線**: Main Naoto Ikuta Line, running horizontally across the middle of the map.
- (一) 大井川線**: Daiichi Owagawa Line, branching off to the south from the main line near Miyoshi City.
- (一) 室戸川線**: Daiichi Murakawa Line, branching off to the east from the main line near Miyoshi City.
- (一) 三加茂三好線**: Daiichi Sakamae San'yō Line, branching off to the east from the main line near Miyoshi City.
- (一) 出口太刀野線**: Daiichi Deguchi Tachino Line, branching off to the east from the main line near Miyoshi City.
- (一) 芝生中庄線**: Daiichi Shigenaka Nakashiro Line, branching off to the east from the main line near Miyoshi City.
- (主) 三加茂東谷山線**: Main Sakamae Higashiyama Line, branching off to the east from the main line near Miyoshi City.
- (一) 勝浦三野線**: Daiichi Katsurao San'yō Line, branching off to the east from the main line near Miyoshi City.

The map also shows various geographical features such as rivers (e.g., Yamato River, Arima River), mountains, and urban areas. The railway lines are color-coded: red for main lines and green for branch lines.
